

## CALL FOR PROJECTS: CHOREOGRAPHIC CREATIONS

**Urban or In Situ Performances  
Artists and companies**

The Quartiers Danse Festival (FQD) is extending an invitation to emerging, mid-career, or established choreographers who would like to present a premiere work or new creation at its 17th edition, which will take place September 6 to 14, 2019.

The FQD is an annual event dedicated to artistic events and creation in contemporary dance and related physical art forms. It has taken as its mission to democratize original dance in all its forms and hybrids by making it more accessible to audiences in both traditional and unusual venues. The FQD primarily presents shows from local artists, but also frequently invites national and international creators. It adopts a multidisciplinary approach to original dance that includes presentation, performances, installations, films, exhibits, meetings, discussions, and, last but not least, cultural mediation workshops.

This call for projects is for choreographers, companies, or collectives that would like to present a premiering choreographic work in an urban setting or in another unusual Montreal venue from among those offered by the FQD. Please note that the locations do not include dance mats, dance floors, or stages.

The festival is interested in unique dance creations or works that combine dance with other art forms typically 20 to 30 minutes in length. Note : outdoor performances will taking place in the morning and in the afternoon, but never in the evening.

To submit a project, please send the documents below:

- A letter of intent for participating in the 17th edition of the festival in which you
- specify that you are applying for the Artist - Urban or In Situ Performances;
- Description of project and artistic process;
- Biography of choreographer or company and a curriculum vitae;
- A DVD or a USB key with a video, which gives an overview of the suggested creation or the choreographer's work.
